## **EXPERIENCE**

### **Evelyne Saller Centre - Prep cook - Vancouver, BC April 2017 - April 2021**

Evelyne Saller Centre is a community centre located in the downtown east side. When I started I did dishwashing and general clean up duties. I moved onto serving and cash and then became a prep cook in the last year and half I was there. My main duties as a prep cook were chopping vegetables, stocking shelves, preparing deserts and general clean up of the store room and freezers/fridges.

### **Fresh Bowl - Cook, Prep cook - Vancouver, BC October 2015 - February 2017**

Fresh Bowl is a Southeast Asian restaurant. Cooking and preparing ingredients were my main duties for the duration of my time there. After around six months of being there I also helped in the process of training and supervising.

### **Choices - Cook, Server - Salmon Arm, BC May 2015 - September 2015**

Choices was a soup and sandwich restaurant I originally started at in the summer of 2013. I worked there for about a year then moved to Vancouver. In May of 2015 I went back to Salmon Arm for the summer and continued working there. My duties included cooking, prep, serving, and general house keeping.
